

What to do in a flood emergency

Flood Emergency?

In a flooding emergency you should focus on the safety of yourself and your family. Dial **999** or **112** if it is an emergency and you or someone else is in danger.

Bucks Fire and Rescue's main duty is saving lives, they may be able to help with pumping floodwater from your property.

Important Contacts

Anglian Water

To report flooding and flood risk from public sewers and water mains call **03457 145 145**

MKC Lead Local Flood Authority

To report internal property flooding from surface water, groundwater or ordinary watercourse flooding call **01908 252353**, or 'Report It' on our website: www.milton-keynes.gov.uk

What should I do?

Five steps

Step 1:

Before flood water enters your home, close and lock downstairs windows and doors. Keep the keys safely to hand and move upstairs.

Step 2: Continue to listen to situation updates from your local radio station and via Floodline on: **0345 988 1188**.

Step 3: Stay in your property if safe to do so or until either the emergency services tell you otherwise or the floodwater has gone.

Step 4: Do not walk through floodwater. If it is necessary to walk through shallow water, take care for hidden holes, obstacles and other hazards.

Step 5: If you come into contact with floodwater, wash any exposed body parts with bottled or cool boiled water before handling food or looking after wounds.
