the next generation

#REACHINGFORTHESTARS

Join us as an adult volunteer - we have some fantastic opportunities for you.

[www.raf.mod.uk/aircadets](http://www.raf.mod.uk/aircadets)

Join the ultimate air and space youth organisation as an adult volunteer where you can make new friends, have fun, learn new skills and challenge yourself.

Initially you'd join us as a member of the civilian committee or as a civilian instructor on your local squadron. There are opportunities, with support and training, to develop into a uniformed role. You will help our cadets grow their leadership and team working skills and can even gain qualifications for yourself along the way. It can be life-changing!

You can take cadets flying and gliding, as well as visit airfields and RAF Stations. You can take part in and lead cadets in a wide range of subjects and activities, including hill walking, kayaking, target shooting, expeditions, sport, music, Remembrance parades and much, much more.

We are a progressive and inclusive youth organisation, with a growing number of support groups for everyone including those who do or do not follow a faith, sexual orientation, gender identity, mental health, wellbeing and an awesome network of other adult volunteers to help you - some may become lifelong friends!

What are you waiting for? You are a click away from joining one of the world's leading youth organisations, see [www.raf.mod.uk/aircadets](http://www.raf.mod.uk/aircadets) and find your local squadron.
