MILTON KEYNES CITY COUNCIL (FULMER STREET (PART), SHENLEY WOOD) (TEMPORARY CLOSURE) ORDER 2024

NOTICE IS HEREBY GIVEN that the Milton Keynes City Council has on 19th November 2024 made the above Order under Section 14(1) of the Road Traffic Regulation Act 1984, the effect of which will be to temporarily prohibit vehicles and pedestrians from entering, waiting or proceeding along the following length of road in order to allow Hutchinson 3G to carry out telecoms maintenance and upgrade works.

25th November 2024

(09:30 – 16:30)

Fulmer Street – From its junction with Childs Way to its junction with Chalkdell Drive.

Whilst the above length of road is closed the alternative route will be via Childs Way, Watling Street and Portway (and vice versa).

The above closure is scheduled to be implemented on the above dates or until the said works have been completed, whichever is the sooner. Signs will be erected several days in advance to warn motorists of the dates and times when the road will be closed.

The Council is satisfied that a temporary closure Order is necessary to enable works to be carried out on the highway. The temporary Order will come into effect on 25th November 2024 and remain in effect for a period of 6 months and will take effect at times during the above period only when works are required and only when indicated by the appropriate traffic signs, which will be erected in advance of any closure.

There will be no exemptions from the provisions of the proposed Order except for emergency service vehicles on operational duties.

The closures will be clearly signed in accordance with Chapter 8 of the TSRGD 2016 (The Traffic Signs Regulations and General Directions 2016). All affected properties will be notified of the forthcoming closures at least one week prior to the works taking place.

Any person committing a breach of the order will be liable upon prosecution to such fine as is prescribed by the Road Traffic Regulation Act 1984.
