

Milton Keynes Primary PRU  
*Bringing Learning to Life*

## Milton Keynes Primary Pupil Referral Unit

MK Primary PRU provides education for children who are at risk of exclusion or are permanently excluded. We offer a dual-placement with their mainstream school and pride ourselves on delivering a high-quality active curriculum and intervention programme, individualised to meet the needs of our children. Most of our children have social, emotional and mental health needs (SEMH) and some are on a pathway to formal SEN diagnoses.

This is an opportunity to make a real difference to children in Milton Keynes who find school challenging. This is an exciting time to be joining MK Primary PRU where you will be part of a multidisciplinary team who are passionate in supporting our young people.
