How are applications for Neighbourhood Areas decided?

Following the close of the 6 week consultation period, Milton Keynes Council will consider all comments received. A report will then be prepared with a recommendation as to whether or not the proposed Neighbourhood Area should be designated.

The application listed above is one of the first applications that the council has received and the report on the outcome of the consultation will be considered by Cabinet on 25 July, 2012. That report will also ask Cabinet to consider delegating the power to designate a Neighbourhood Area in cases where no significant issues have been raised.
