Dear Bruce

Re: Neighbourhood Plan.

I have been instructed by my Parish Council to write to you regarding the above subject.

I can confirm that at our Parish Council meeting that was held on the 16th April 2012, it was agreed that Wavendon Parish Council should proceed with the development of a Neighbourhood Plan for the full area, as detailed on the enclosed map of the area.

The main reasons why we have agreed to develop a neighbourhood plan are recorded below:

- Ancient historic nature of Wavendon – named in the Domesday book.
- Parish Councils vision of a future integrated community of old and new residents.
- The desire to promote community participation from residents, business, leisure, education provider and all groups and societies within the local village community.

To the best of our knowledge, we believe that we have the authority to make an application to Milton Keynes Council for permission and support to develop a neighbourhood plan and look forward to your response.

Yours sincerely

Alan Kemp
Clerk to the Parish Clerk
