£13,082 to £14,623 actual per annum (£24,790 to £27,711 FTE)

Part time / Permanent / Term Time

**Start date:** 10/01/2025

### **About our School:**

The Stephenson (MK) Trust is a trust supporting Milton Keynes children and schools to ensure every child can strive for success.

Within our trust we have three academies on three geographically dispersed sites encompassing five different areas of need, these split by age and need, all of which support both male and female students.

### Strategic Aims

We aim to give every student in the Trust the best chance to succeed. The wellbeing of our students is our top priority, and we have a dedicated multi-disciplinary therapeutic team to support students, their families and staff where appropriate.

We want our students to become happy, successful and independent young people who can make a positive contribution to society. Our students achieve well during their time with us and leave the academies with relevant qualifications and work experience, which supports them in gaining places in further education and employment.

All the Academies within the Stephenson (MK) Trust will:

- \* Have high aspirations and expectations for the achievement of every young person.
- \* Ensure that all young people make progress individualised to their needs.
- \* Provide ambitious and exciting opportunities through a well-designed curriculum that is supported by a

range of measurably effective intervention programmes.

- \* Develop approaches to learning and wider life experiences that promote independence and confidence from its young people who then make a positive contribution to the community.
