MANIFESTO FOR MK YOUTH COUNCIL

INTRODUCTION

About Me

My name is Dylan Caleb Cooper. I enjoy playing football in the positions of centre back and goalkeeper. I enjoy maths and cooking.

Why Youth Council?

1. Represent the opinion of my school community

I am a good listener and I have experience in school council and at jobs within my school community. As a good communicator I have the ability to influence others into creating change and improving the environment for the benefit of the youth community. By listening to the youth community I strive to address the concerns of the youth within Milton Keynes.

2. Work towards constructive changes in our communities and city

I am a goal driven, and determined individual, striving to find solutions and opportunities.

Issues that i would like to address and change in MILton Keynes

Some of the issues that i would like to address and change in our community are as follows:

- Greater opportunity for free courses and development camps for the youth .
- Interactive experiences with key leaders and role models within our society.
- Safe and supportive youth groups, assisting in the development of young people and their concerns.
