

My manifesto

Hey all,

My name is Gabriel Stange-Talary. For some time now, I have wanted to be a part of the Milton Keynes youth council, as being able to make a real difference in our community has always been a dream of mine. I aim to address the problem of youth crime, which has become a serious issue in the last few years and which will continue to grow unless something is done. There are many reasons young people are driven to crime, some of which are out of our control, but I pledge to do all I can to make Milton Keynes a place where people don't feel the need to resort to criminal behaviour.

I also aim to put forward the issue of public spaces, as I believe that opportunities for the young people of our community would be extremely beneficial. Having been involved in several school productions and events, I understand the benefit of extra-curricular work, and the sense of family it can foster. As such, I aim to acquire funding for more youth groups in Milton Keynes and especially Wolverton.

Thank you for giving me the chance to talk, I wish you all happy voting.
