MILTON KEYNES CITY COUNCIL (MELFORT DRIVE, BLETCHLEY) (TEMPORARY CLOSURE) ORDER 2025

NOTICE IS HEREBY GIVEN that Milton Keynes City Council intends, in not less than seven days from the date of this Notice, to make an order under Section 14(1) of the Road Traffic Regulation Act 1984, the effect of which will be to temporarily prohibit vehicles from proceeding along the following part of road to allow AIS Utilities to carry out works to install ducts to supply a new development.

For the purpose of the above Order, no person shall cause or permit any vehicle to enter, wait in or proceed along the following lengths of road between **17th February and 21st February 2025** (24 hours a day): -

Melfort Drive, Bletchley – from its junction with Burnmoor Close to its junction with Dunvegan Close.

Whilst the closure is in place there will be no alternative route as the Melfort Drive has a dead end, however access to properties will be maintained where possible.

There will be no exemptions from the provisions of the proposed order except for emergency services vehicles on operational duties.

The closures will be clearly signed in accordance with Chapter 8 of the TSRGD 2016 (The Traffic Signs Regulations and General Directions 2016). All affected properties will be notified of the forthcoming closures at least one week prior to the works taking place.

The proposed Order will come into operation on 17th February 2025 and will continue in force for a maximum period of 3 months or until the said works have been completed, whichever is the sooner. If the works are not completed within the maximum period stated, a further order may be made.

Any person committing a breach of the order will be liable upon prosecution to such fine as is prescribed by the Road Traffic Regulation Act 1984.
