### **About the Role:**

Do you want to make a difference to a young person's life in Milton Keynes?

Are you, or do you want to be a teacher?

Do you want to help us to build brighter futures?

Are you someone with excellent interpersonal skills, a great listener who is non-judgmental and

calm under pressure?

Would you like the chance to be part of an exciting, forward-looking SEMH school, which works in a holistic way?

Would you like to be part of a team that works hard to improve the life chances of some of the most vulnerable young people in Milton Keynes?

Stephenson (MK) Trust, on behalf of Stephenson Academy, is seeking to appoint an inspiring, compassionate, and dedicated Intervention Mentor who is eager to make an impact.

Are you a dedicated and committed individual who can put yourself in other people's shoes? Are you positive, flexible, resilient and can you use your initiative? If so, you could make a difference to the lives of these young people. Your job is about building relationships and committing to help students make progress, both academically and personally.

As an Intervention Mentor you will:

- undertake educational activities
- attend to the educational, personal and social needs of students
- support learning and development
- ensure student safety
- develop approaches to maintaining students who are in crisis.

Personal qualities such as integrity and being able to work effectively as part of a team are more important than experience in this field, which is why our staff join us from different roles and trades.
