About our School:

Watling Academy is an Ofsted 'Outstanding' secondary school situated on the western edge of Milton Keynes, encompassing the Whitehouse and Fairfields developments. Opening in September 2020, our school is a new and vibrant learning community for students aged 11-18. We are excited to open the Watling Academy Sixth Form to our first cohort of Year 12 students from September 2025, which will provide further educational opportunities. Our core values of Respect, Responsibility and Kindness embody the 'Watling Way' and are integral to the way we interact, learn and grow together as a community.

About the Role:

Watling Academy is seeking an enthusiastic Geography Teacher to inspire students to have a love for our planet and an understanding of its complexities. As a Geography Teacher at Watling Academy, you will:

- Deliver captivating lessons on diverse environments and ecosystems, promoting a love of learning.
- Engage students in discussions on global issues like climate change and sustainability, empowering them to think critically and responsibly about their impact.
- Lead fieldwork expeditions and practical investigations to develop practical skills and hands-on understanding of geographical concepts.
- Cultivate essential analytical skills, including data interpretation, graphical analysis, and cartographic techniques, equipping students to make informed, evidence-based conclusions about real-world geographic issues.

- Be a key part of our supportive team, collaborating with colleagues to deliver an engaging and enriching curriculum that meets the needs of every student.

Closing date for applications: 06/03/2025
