Barrosa Way, Whitehouse, Milton Keynes, MK8 1EP

hr@thedenbighalliance.org.uk

DT Teacher

MPS/UPS + £2000 R&R for the right candidate

Permanent

Start date: 01/09/2025

About our School:

Watling Academy is an Ofsted 'Outstanding' secondary school situated on the western edge of Milton Keynes, encompassing the Whitehouse and Fairfields developments. Opening in September 2020, our school is a new and vibrant learning community for students aged 11-18. We are excited to open the Watling Academy Sixth Form to our first cohort of Year 12 students from September 2025, which will provide further educational opportunities. Our core values of Respect, Responsibility and Kindness embody the 'Watling Way' and are integral to the way we interact, learn and grow together as a community.

For more information about our school, please explore our website: www.watling.academy

About the Role:

Watling Academy is seeking an innovative DT Teacher to inspire the next generation of innovators and problem-solvers. As a Design and Technology Teacher at Watling Academy, you will:

Deliver dynamic lessons that bring the design process to life, fostering a creative and hands-on learning environment where innovation is celebrated.

Guide students through practical projects across a variety of specialisms, from Resistant Materials and Textiles to Food & Nutrition and Engineering, nurturing skills that encourage curiosity and innovation.

Implement diverse teaching methods to support students in mastering design theory, enabling them to connect theoretical knowledge with practical applications.

Be a key part of our supportive team, collaborating with colleagues to deliver an engaging and enriching curriculum that meets the needs of every student.

Closing date for applications: 25/02/2025
