About our School:

Whitehouse Primary School opened in September 2016, a new school at the heart of the developing community of Whitehouse, Milton Keynes.

As part of the Inspiring Futures through Learning Multi-Academy Trust, we are wholly committed to ensuring the highest standard of education and provision for our children. Our children are at the heart of every decision we make to ensure that they are happy, confident and that the opportunities provided for them are relevant to their needs both now and in the future.

Through our engaging curriculum, we ensure that children can foster a passion for learning and curiosity that will help to develop high aspirations and a lifetime of memories.

Our partnership with parents and our local community is an essential part of our success. Our open door policy provides an opportunity for our parents to engage in the life of school and we actively encourage parents to be involved in their children's learning and journey through Whitehouse Primary.

Our children and young people come from a wide range of backgrounds, and so do our colleagues.

We aim to reflect and celebrate diversity in our workplace in order to create an inclusive culture that adds real value to our vision of inspiring the futures of us all through learning together.
