TEACHER OF SCIENCE
MPS/UPS
Contract of 0.6 or 0.8 FTE
Start date: 01/09/2025

About our School:

Why choose Lord Grey Academy?

- Culture of high expectations and a strong belief that all can achieve
- Very clear routines for learning so that teachers can teach and students can learn
 - Culture of support and feedback for staff
 - Highly visible student-centred Leadership Team
 - Positive, supportive and friendly colleagues
- Weekly CPD and regular opportunities to benefit from working with other schools in the Trust.

The right candidate will be totally aligned to our values of encouraging all students to be ambitious, determined, independent, respectful and successful and completely committed to promoting our mantra of Lord Grey Can!

A lesson observation and a formal interview will form the selection criteria. A vacancy booklet, information for candidates booklet and the application form are all available on the vacancies section of Lord Grey Academy's website: <http://www.lordgrey.org.uk/general-information/vacancies/>

Please note the application form and information for candidates booklet are available on the right hand side of the above link. Details on how to apply for this post are in the How to Apply Section of this booklet.

Completed application form and covering letter should be submitted to Human Resources at Lord Grey Academy or emailed to hr@lordgrey.org.uk by 9am on Wednesday 23rd April 2025.

Interviews to be held on Thursday 1st May 2025

About the Role:

We require a Teacher of Science for September 2025. The successful candidate will be a good classroom practitioner and will have excellent subject knowledge. A specialist in, or the ability to

teach, Physics across the key stages would be preferred. The Academy is willing to consider a 0.6 or 0.8 contract for this position.

This position is suitable for ECT's.

The successful candidate:

- will have a strong commitment to teaching and learning in Science
- will be an effective classroom practitioner committed to raising standards for all students
- will be able to teach Science at Key Stages 3 and 4 and, if appropriate, in the Sixth Form
- will be fully committed to enabling all students to achieve well and make good progress
 - the drive and determination to motivate colleagues and students
 - a creative and energetic approach to teaching and management
 - good organisational skills
 - the vision to develop the courses currently offered
 - open to change, new ideas and innovation.

Closing date for applications: 23/04/2025
