About the Role:

As a new school, our team is constantly growing and we are anticipating significant expansion in September of this year. This is an amazing opportunity to join our team and benefit from the opportunities that working in a growing school provides.

Candidates with experience of leading Phonics and/or Early Reading are of particular interest to us.

For the right candidates, accelerated promotion to leadership roles including Head of Year and Phase Lead is a possibility. If you are looking for the opportunity to progress in your career, then this is the place for you!
